DOLORES CASSINELLI.

Director Frederick J. Ireland of the Emerald Motion Picture Company, is hard at work preparing for production of four five-reel feature dramas to be built about the beautiful personality of Dolores Cassinelli, his principal star. Mr. Ireland plans a Cassinelli feature to be released each month through American Standard exchanges after the first of October. Miss Cassinelli's first vehicle is entitled "A Song of Romany," and is described as an idyllic Gypsy romance.

Tom Keesey and Charles Huntington, the long and short men of Emerald Motion Picture Company's "Tom and Jerry" series of two-reel comedy-dramas, are being favorably received and steadily gaining a large following as a result of their sterling work in the current episodes in the series. Huntington is well known to the screen for his work with Selig and Essanay.

Olive oil is a food, a medicine, a condiment, a garnish and a joy for ever. Its growing popularity bespeaks a great increase in the good health of the American people. It is fine for the human system; wards off disease, prevents appendicitis, cures constipation and insures good digestion. The best olive oil in the world comes from the old grand duchy of Lucca in Italy. In Lucca the finest olives on earth grow. The greatest importer of Lucca olive oil in Chicago, as everybody knows, is Albert Zel of 440 Orleans street. If you want to order this toothsome, wholesome and genuine Lucca olive oil, call up Albert Zel, Main 1035. He delivers it over Chicago and suburbs without extra charge.

It is about time that the state of Illinois came to the rescue of the people and passed a law prohibiting the misuse of the name bank.

As matters stand at present, anyone with money enough to hire and equip a store can paint the name bank on the front windows and solicit and receive deposits without let or hindrance.

Every year hundreds of people lose their savings through the failure

or collapse of one or more of these wildcat institutions.

Legitimate banks which are in themselves a guarantee of security, are passed by by thousands of simple and glib people who are charmed by the advertisements and cunning allurements of men who never did any legitimate banking and who never intended to do any.

The Chicago Eagle has often referred to this matter before and it again urges upon the legislature and upon men who are seeking seats in the general assembly, the necessity for passing a law protecting legitimate banks and prohibiting illegitimate ones.

## WHY TAXPAYERS SUFFER

City Pay Rolls Increased Eleven Million of Dollars in Five Years.

The number of tax eaters on the city payrolls increased 5,991 in five years and the cost to the taxpayers increased nearly eleven millions of dollars.

In 1910-11, the last year of the Busse administration, the figures were:  
Number of employees on city pay rolls, 23,210.

Amount of city pay rolls, \$24,555,496.

In 1914-15, the last year of the Harrison administration, the figures were:  
Number of employees on city pay rolls, 29,201.

Amount of city pay rolls, \$35,173,535.

Increase in number of city employees in five years, 5,991.

Increase in five years in cost to taxpayers by increase in pay rolls, \$10,618,039.

No wonder taxes are high.

## DEMAND EXPORT DUTY

With abundance of everything in this country the price of living and of manufactured articles has increased. The reason for this is the fact that the foreign markets are ready to take all they can get in the United States at much higher prices than are now prevailing in our domestic market.

A big export duty is the only thing that will protect Americans.

Judge John K. Prindiville is making a splendid record on the Municipal Court bench. He is an able, broad-minded and just judge.

McKenzie Cleland, the able former judge, is a man who is never afraid to stand up for what he believes to be right.

William H. Weber always made a good public record.

The Home Brewery is not only Chicago's youngest brewery, but it is one of her most successful. No brewery in the United States ever achieved success in such a short time as the Home Brewery. Its beer already has a reputation among the lovers of good beer as being par excellence. The Home Brewery also bottles its beer and a case can be had by calling up Humboldt 9316.—Advertisement.
